

Scoped Carbine Clinic

June 3, 2023 - Como, MS

1-Day (8 hour) training clinic focused on fundamentals of scoped carbine marksmanship including: rifle/equipment setup, ballistic & environmental data collection, MIL/MOA & BDC reticles, external ballistics, precision marksmanship at distance, positional/barricade shooting, terminology, and more. This is a "clinic" format focusing on applying the above concepts to the student's individual rifle and optic. Shooters will leave with a complete data set for their specific weapon system including dope verified out to 500 yards. Instruction will be both in the classroom and on the range.

Price: \$225.00
