

# Patrol Designated Marksman Qualification Course

version 2

## NOTES

- Target: Printable PDF (8.5x11) with large circle (~6") and small circle (~2.75"), set at 100 yards
- Setup: 10 rounds total (one mag of 6 + one mag of 4)
- Times should be challenging but achievable for a qualified PDM
- Scoring: minimum passing score is 9 out of 10 hits, miss on Phase I is automatic failure

### **Phase I - Hasty Precision Shot**

Par Time: 25 seconds

From 100 yard line, start in standing position with rifle "cruiser ready" (I.E. empty chamber with loaded mag inserted), magnification on 1x, bipod folded if present, all gear in hand (not staged on ground), on buzzer, move to prone position, chamber round, deploy bipod, etc...engage small circle with 1 round

### **Phase II - 3-Round Precision Group**

Par Time: 35 seconds

From 100 yard line, start in prone position ready to fire with safety on, engage small circle with 3 rounds

### **Phase III - Kneeling Barricade**

Par Time: 45 seconds

From 100 yard line, start in standing position, rifle loaded, all gear in hand (not staged), on buzzer take kneeling/supported position on barricade, engage large circle with 1 round

### **Phase IV - Sprint Positions**

Par Time: 40 seconds

Start at 100 yard line, on buzzer sprint to 75 yard line, engage large circle with 1 round from a kneeling position, (rifle goes to lockback), sprint to 50 yard line reloading on the move, engage large circle with 1 round from a standing position

### **Phase V - CQB Engagement**

Par Time: 7 seconds

Start at 15 yard line, on buzzer move to 7 yard line while adjusting magnification down to 1x, engage large circle with 3 rounds
